

A nighttime street scene in Singapore. In the foreground, a historic white building with a curved facade and red window frames is illuminated. It has "1939" on its roof and "POTATO HEAD" and "亞東" (Ya Dong) on its facade. To the right, a modern building with a glass facade is lit up. The street is lined with cars and pedestrians. The sky is dark blue with some clouds.

Singapore's bid to host the Asia Pacific Federation of Coloproctology Congress 2023 (APFCP 2023)

Passion
Made
Possible

Why Singapore?

- **Experienced local host** –
 - Congress of Asian Federation of Coloproctology 2005
 - 3rd Biennial Congress of Eurasian Colorectal Technology Association 2013
 - Biennial Congress of ASEAN Society of Colorectal Surgeons 2014
- **Leading business events hub** – Assurance of a quality meeting experience, with state-of-the-art venues
- **Safe & politically stable city in the heart of Asia** – Reach ~4 billion people within a 7-hour flight
- **Multicultural city** – English-speaking and a neutral ground for international meetings

Society of Colorectal Surgeons Singapore

- The Society of Colorectal Surgeons Singapore (SCRS) has been a member of the APFCCP since its inception in 2003
- The society's mission is to develop the specialty of colorectal surgery and promote its awareness to a high standard and good standing in Singapore
- Active and supportive participant at all previous APFCCP activities
- Organized the 10th Congress of the APFCCP in 2005
- It will be our honour to bring international thought-leadership back to Singapore and for us to contribute to APFCCP almost 20 years later

**Proposed Dates:
Mid-August 2023**

Society of Colorectal Surgeons Singapore

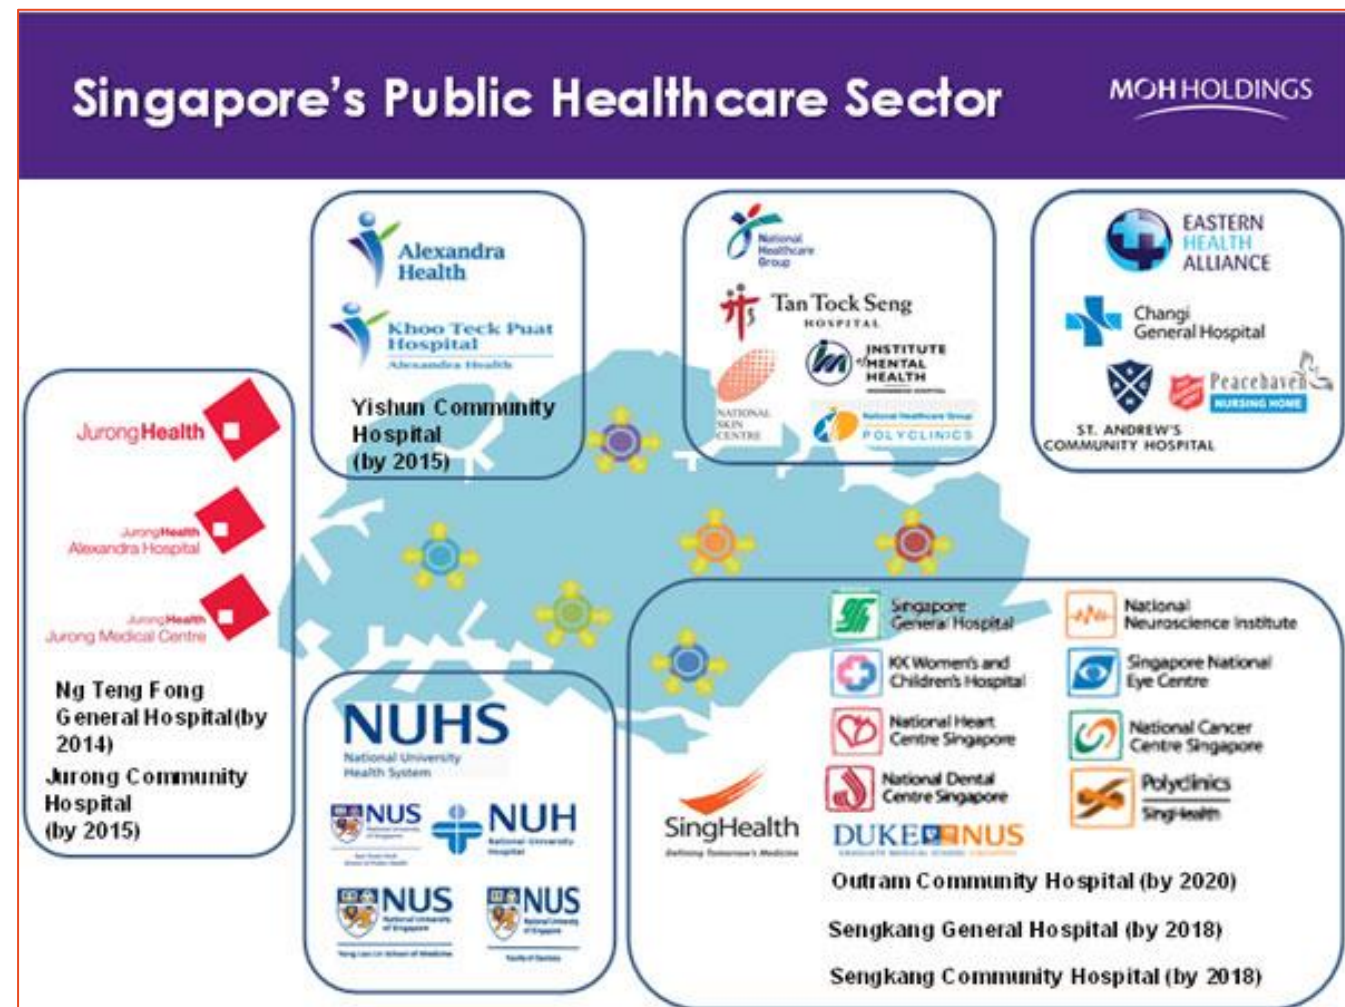

- Currently we have
 - 79 full members
 - 33 associate members
- Colorectal surgeons in all acute-care government-funded (6) and private hospitals (7)
- Laparoscopic surgery in all hospitals
- Robotic surgery in 4 government-funded and 2 private hospitals
- Anorectal ultrasound and physiology laboratory in 4 government and 2 private hospitals

Society of Colorectal Surgeons Singapore

- SCRS organizes a biennial national meeting (Singapore Colorectal Week)
- Next meeting is 16-18 August 2019
- We have the experience and expertise to conduct workshops in:
 - Cadaveric settings at 2 hospitals
 - Animal laboratories at 3 locations
- We have experience and expertise in Live Surgery Sessions
- We conducted the first Asian Anorectal Ultrasound Workshop in 2013

Proposed Programme

- Broad-based comprehensive colorectal surgery program with focus on evolving knowledge and technology
 - Surgical Instrumentation
 - Surgical Techniques
 - Pelvic Floor Dysfunction
 - Cancer Genetics
- Comprehensive Nursing track
 - Peri-operative Care
 - Stoma and Complex Wound Care
- Forum on New Technology in Surgical Practice – collaboration with participants of MedTech Forum Asia Pacific and SG Innovate
